

Technical Bulletin #31**June 03, 2005****ENDURA EX-2C TOPCOAT COMPONENT B**

Endura has made a commitment to continuous improvement. As a result of this commitment Endura has changed the odor of EX-2C Component B. We have researched and fully lab and field-tested a new solvent blend to create a more pleasant odor for EX-2C Component B. We are very pleased with the improvement. EX-2C Component B meets all previous performance criteria. Revised MSDS is attached and available on our website.
