Clear 110 Discontinued

Endura Manufacturing is discontinuing the sale of Clear 110.

Most Endura CLR formulas are already using the Clear 111; however, if you find a CLR formula listing clear 110 please follow the instructions below.

- To convert a CLR formula to Clear 111, simply remove the Clear 110 and the UV thinner from the formula and substitute in the Clear 111.

For any distributors with Clear 110 in stock please contact the Endura order desk to get an RMA number for the return.

For any questions on Clear 111, or on changing formulas from Clear 110 to Clear 111 please call the Endura color dept at 1-800-661-9930.
