Introducing new Tint Base

Endura Manufacturing has 4 new higher hiding tint bases. The new TBs (TB02, TB04, TB12, TB16) are now all available for sale and will be used in new Endura formulas. It is recommended that all distributors carry these new TB's as they will be used in color formulations from Endura.

Color: Bright Yellow (Similar to TB 07)

CLRTB02-020	TB-02 YELLOW – 1QT	\$77.67
CLRTB02-030	TB-02 YELLOW - 1G	\$269.19
