## Technical Bulletin #58 January 23, 2018

### White 120 HH (FUA0129) Discontinued

As improvements have been made to White 120 (FUA0120), we have concluded that the White 120HH (FUA0129) version is now unnecessary to produce and will be discontinued.

As well, White 120 HH Hi Viscosity (FUA0122) will also be discontinued when on-hand stocks have been depleted.

For any distributors or customers with White 120HH (FUA0129) and White 120 HH Hi Viscosity (FUA0122) in stock, please note that these products are viable and approved for sales.

For any questions please call your Endura representative at 1-800-661-9930.
