Caliber Primer [Color Change]

Please note that the color of Caliber Epoxy Zinc Primer will be changing from a medium grey to a light grey.

The change was done to make it easier to when topcoating with lighter or more transparent colors.

NOTE Caliber Epoxy Zinc Primer will have new Part numbers:**

Part Number: Caliber Primer Light Grey A [FEA0061]
Activator - Caliber [FEB0041]

The medium grey version of Caliber Epoxy Zinc Primer has a part number of [FEA0752] and will be discontinued when all stock is depleted this product.
FEA0752 mixes 5:1 with [FEB0752]
